

MYSTERY IN RICH MACKAY FAMILY AS FATHER SPIRITS CHILDREN AWAY

Clarence Mackay, multimillionaire, and Mrs. Mackay, New York social leader,

Just as the giant new Hamburg-American liner Imperator was about to sail from New York the other day Clarence H. Mackay dashed up with his three small children in an automobile, surrounded by a bodyguard of private detectives, also in autos.

This mysterious proceeding has started the story that Mr. and Mrs. Mackay have separated, and that Mr. Mackay hurried the children out of the country to prevent his wife from getting possession of them.

The father of a St. Louis bride presented his son-in-law with eighty thousand head of cattle. "Papa, dear," exclaimed his daughter, when she heard of it, "that was so kind of you. Charley's awfully fond of ox-tail soup."
